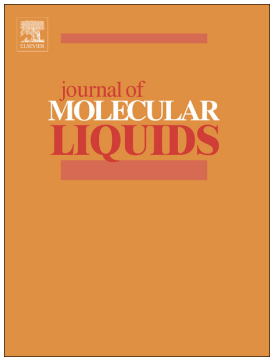
Accepted Manuscript



The prediction of liquid-liquid equilibria for benzene/alkane/ionic liquids mixtures using intelligent models

Fariborz Shaahmadi, Mohammad Amin Anbaz

PII: S0167-7322(16)32771-4
DOI: doi: 10.1016/j.molliq.2017.02.108
Reference: MOLLIQ 7021

To appear in: *Journal of Molecular Liquids*

Received date: 16 September 2016
Revised date: 6 February 2017
Accepted date: 25 February 2017

Please cite this article as: Fariborz Shaahmadi, Mohammad Amin Anbaz , The prediction of liquid-liquid equilibria for benzene/alkane/ionic liquids mixtures using intelligent models. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Molliq(2017), doi: 10.1016/j.molliq.2017.02.108

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
