This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

A letter from the senior author

Dear professor,

I send a manuscript entitled: "**Removal of Cyanobacterial and Algal cells from water by ultrasonic waves - A review**" for publish in the Journal of Molecular Liquids.

Best regards,

Mohammad Hadi Dehghani
