Title: Magnetic porous iron oxide monoliths prepared through epoxide-mediated sol-gel process

Author: Daichi Jinmori Yuji Masubuchi Shinichi Kikkawa

PII: S0025-5408(16)31149-7

DOI: <http://dx.doi.org/doi:10.1016/j.materresbull.2016.12.029>

Reference: MRB 9071

To appear in: *MRB*

Received date: 26-9-2016

Revised date: 20-12-2016

Accepted date: 23-12-2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Magnetic porous iron oxide monoliths prepared through epoxide-mediated sol-gel process
