

## Accepted Manuscript

Corrosion performance of medical grade NiTi after laser processing

A. Michael, A. Pequegnat, J. Wang, Y.N. Zhou, M.I. Khan

PII: S0257-8972(17)30582-0  
DOI: doi: [10.1016/j.surfcoat.2017.05.092](https://doi.org/10.1016/j.surfcoat.2017.05.092)  
Reference: SCT 22411  
To appear in: *Surface & Coatings Technology*  
Received date: 22 March 2017  
Revised date: 30 May 2017  
Accepted date: 31 May 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Corrosion Performance of Medical Grade NiTi after Laser Processing
