

## Accepted Manuscript

Innovation highway: Breakthrough milestones and key developments in chalcopyrite photovoltaics from a retrospective viewpoint

Daniel Abou-Ras, Sigurd Wagner, Bill J. Stanbery, Hans-Werner Schock, Roland Scheer, Lars Stolt, Susanne Siebentritt, Daniel Lincot, Chris Eberspacher, Katsumi Kushiya, Ayodhya N. Tiwari

PII: S0040-6090(17)30005-6  
DOI: doi: [10.1016/j.tsf.2017.01.005](https://doi.org/10.1016/j.tsf.2017.01.005)  
Reference: TSF 35717  
To appear in: *Thin Solid Films*  
Received date: 26 August 2016  
Revised date: 23 December 2016  
Accepted date: 5 January 2017

Please cite this article as: Daniel Abou-Ras, Sigurd Wagner, Bill J. Stanbery, Hans-Werner Schock, Roland Scheer, Lars Stolt, Susanne Siebentritt, Daniel Lincot, Chris Eberspacher, Katsumi Kushiya, Ayodhya N. Tiwari , Innovation highway: Breakthrough milestones and key developments in chalcopyrite photovoltaics from a retrospective viewpoint. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## **Innovation Highway: Breakthrough Milestones and Key Developments in Chalcopyrite Photovoltaics from a Retrospective Viewpoint**
