Predictability of global offshore wind and wave power

Wataru Sasaki

PII: S2214-1669(17)30003-6

DOI: <http://dx.doi.org/10.1016/j.ijome.2017.01.003>

Reference: IJOME 134

To appear in:

Received Date: 17 February 2016

Revised Date: 21 October 2016

Accepted Date: 11 January 2017

Please cite this article as: W. Sasaki, Predictability of global offshore wind and wave power, (2017), doi: <http://dx.doi.org/10.1016/j.ijome.2017.01.003>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Predictability of global offshore wind and wave power
