Performance evaluation of concrete incorporating glass powder and glass sludge wastes as supplementary cementing material

Hyeonggi Lee, Asad Hanif, Jongsung Sim, Hongseob Oh

PII: S0959-6526(17)32013-9

DOI: [10.1016/j.jclepro.2017.09.133](https://doi.org/10.1016/j.jclepro.2017.09.133)

Reference: JCLP 10638

To appear in: *Journal of Cleaner Production*

Received Date: 17 April 2017

Revised Date: 10 August 2017

Accepted Date: 3 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
