Optimization of carbon emission considering production planning at enterprise level

Qiang Su, Wei Yang, Yaowu Liu

PII: S0959-6526(17)31266-0
DOI: 10.1016/j.jclepro.2017.06.092
Reference: JCLP 9842
To appear in: *Journal of Cleaner Production*
Received Date: 21 November 2016
Revised Date: 30 April 2017
Accepted Date: 11 June 2017

Please cite this article as: Qiang Su, Wei Yang, Yaowu Liu, Optimization of carbon emission considering production planning at enterprise level, *Journal of Cleaner Production* (2017), doi: 10.1016/j.jclepro.2017.06.092

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title:

Optimization of carbon emission considering production planning at enterprise level

Author names and affiliations:

Qiang Su

Affiliation: School of Economics and Management, Tongji University, Shanghai, China

Wei Yang (corresponding author)

Affiliation: School of Economics and Management, Tongji University, Shanghai, China
