Systems Thinking: A Review of Sustainability Management Research

Amanda Williams, Felix Philipp, Steve Kennedy, Gail Whiteman

PII: S0959-6526(17)30206-8
DOI: 10.1016/j.jclepro.2017.02.002
Reference: JCLP 8928
To appear in: *Journal of Cleaner Production*

Received Date: 21 October 2016
Revised Date: 27 January 2017
Accepted Date: 01 February 2017

Please cite this article as: Amanda Williams, Felix Philipp, Steve Kennedy, Gail Whiteman, Systems Thinking: A Review of Sustainability Management Research, *Journal of Cleaner Production* (2017), doi: 10.1016/j.jclepro.2017.02.002

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Highlights:

- Research on systems thinking and sustainability management is synthesized.
- Number of articles published per year is found to be increasing.
- Core theoretical concepts and research themes are discussed.
- Conceptual basis for future research agenda using systems thinking is proposed.
