

## Accepted Manuscript

Title: Impact of Intermittent Fasting on Health and Disease Processes

Author: Mark P. Mattson Valter D. Longo Michelle Harvie

PII: S1568-1637(16)30251-3

DOI: <http://dx.doi.org/doi:10.1016/j.arr.2016.10.005>

Reference: ARR 717

To appear in: *Ageing Research Reviews*

Received date: 5-8-2016

Revised date: 26-10-2016

Accepted date: 27-10-2016

Please cite this article as: Mattson, Mark P., Longo, Valter D., Harvie, Michelle, Impact of Intermittent Fasting on Health and Disease Processes. *Ageing Research Reviews* <http://dx.doi.org/10.1016/j.arr.2016.10.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
