Title: Polynucleotide Kinase-Phosphatase (PNKP) Mutations and Neurologic Disease

Author: Lavinia C. Dumitrache Peter J. McKinnon

PII: S0047-6374(16)30051-3

DOI: <http://dx.doi.org/doi:10.1016/j.mad.2016.04.009>

Reference: MAD 10845

To appear in: *Mechanisms of Ageing and Development*

Received date: 17-2-2016

Revised date: 12-4-2016

Accepted date: 24-4-2016

Please cite this article as: Dumitrache, Lavinia C., McKinnon, Peter J., Polynucleotide Kinase-Phosphatase (PNKP) Mutations and Neurologic Disease. *Mechanisms of Ageing and Development* <http://dx.doi.org/10.1016/j.mad.2016.04.009>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Polynucleotide Kinase-Phosphatase (PNKP) Mutations and
Neurologic Disease**

Lavinia C. Dumitrache and Peter J. McKinnon¹
