

# Accepted Manuscript

Zinc and infant nutrition

Leigh Ackland, Agnes Michalczyk

PII: S0003-9861(16)30197-7

DOI: [10.1016/j.abb.2016.06.011](https://doi.org/10.1016/j.abb.2016.06.011)

Reference: YABBI 7307

To appear in: *Archives of Biochemistry and Biophysics*

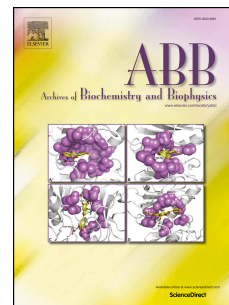

Received Date: 26 February 2016

Revised Date: 23 May 2016

Accepted Date: 13 June 2016

Please cite this article as: L. Ackland, A. Michalczyk, Zinc and infant nutrition, *Archives of Biochemistry and Biophysics* (2016), doi: 10.1016/j.abb.2016.06.011.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Zinc and Infant nutrition
