Endothelial nitric oxide synthase oxygenase on lipid nanodiscs: A nano-assembly reflecting native-like function of eNOS

Ghaith Altawallbeh, Mohammad M. Haque, Kiril A. Streletzky, Dennis J. Stuehr, Mekki Bayachou

PII: S0006-291X(17)31912-5

DOI: [10.1016/j.bbrc.2017.09.131](https://doi.org/10.1016/j.bbrc.2017.09.131)

Reference: YBBRC 38576

To appear in: *Biochemical and Biophysical Research Communications*

Received Date: 12 September 2017

Accepted Date: 23 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Endothelial Nitric Oxide Synthase Oxygenase on Lipid Nanodiscs: A Nano-assembly Reflecting Native-Like Function of eNOS
