HSP90 inhibitor NVP-AUY922 induces cell apoptosis by disruption of the survivin in papillary thyroid carcinoma cells

Jinhao Liu, Wei Sun, Wenwu Dong, Zhihong Wang, Yuan Qin, Ting Zhang, Hao Zhang

PII: S0006-291X(17)30722-2

DOI: [10.1016/j.bbrc.2017.04.056](https://doi.org/10.1016/j.bbrc.2017.04.056)

Reference: YBBRC 37614

To appear in: *Biochemical and Biophysical Research Communications*

Received Date: 6 April 2017

Accepted Date: 9 April 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
