

## Accepted Manuscript

Extracellular cytochrome *c* as an intercellular signaling molecule regulating microglial functions

Ayden Gouveia, Ekta Bajwa, Andis Klegeris

PII: S0304-4165(17)30203-9  
DOI: doi:[10.1016/j.bbagen.2017.06.017](https://doi.org/10.1016/j.bbagen.2017.06.017)  
Reference: BBAGEN 28872

To appear in: *BBA - General Subjects*

Received date: 29 January 2017  
Revised date: 5 June 2017  
Accepted date: 22 June 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
