Accepted Manuscript

Heparan sulfate proteoglycans in Drosophila neuromuscular development

Keisuke Kamimura, Nobuaki Maeda

PII: DOI: Reference:

S0304-4165(17)30201-5 doi:10.1016/j.bbagen.2017.06.015 BBAGEN 28870

To appear in: BBA - General Subjects

Please cite this article as: Keisuke Kamimura, Nobuaki Maeda, Heparan sulfate proteoglycans in *Drosophila* neuromuscular development, *BBA - General Subjects* (2017), doi:10.1016/j.bbagen.2017.06.015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT

Heparan sulfate proteoglycans in *Drosophila* neuromuscular development

Keisuke Kamimura and Nobuaki Maeda

Neural Network Project, Department of Brain Development and Neural Regeneration,
