The plasma membrane: penultimate regulator of ADAM sheddase function

Karina Reiss, Sucharit Bhakdi

PII: S0167-4889(17)30158-1
DOI: doi:[10.1016/j.bbamcr.2017.06.006](https://doi.org/10.1016/j.bbamcr.2017.06.006)
Reference: BBAMCR 18119

To appear in: *BBA - Molecular Cell Research*

Received date: 24 April 2017
Revised date: 6 June 2017
Accepted date: 8 June 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**The plasma membrane:
penultimate regulator of ADAM sheddase function**
