Emerging role of Hippo signalling in pancreatic biology: YAP re-expression and plausible link to islet cell apoptosis and replication

Anjana Sharma, Veera Ganesh Yerra, Ashutosh Kumar

PII: S0300-9084(16)30379-0

DOI: [10.1016/j.biochi.2016.12.009](https://doi.org/10.1016/j.biochi.2016.12.009)

Reference: BIOCHI 5114

To appear in: *Biochimie*

Received Date: 5 July 2016

Accepted Date: 12 December 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
