Feeding alters blood flow patterns in the American alligator
(*Alligator mississippiensis*)

Anders Findsen, I.I. Dane Crossley, Tobias Wang

PII: S1095-6433(17)30208-8
DOI: doi:[10.1016/j.cbpa.2017.09.001](https://doi.org/10.1016/j.cbpa.2017.09.001)
Reference: CBA 10265

To appear in:

Received date: 4 July 2016
Revised date: 7 February 2017
Accepted date: 5 September 2017

Please cite this article as: Anders Findsen, I.I. Dane Crossley, Tobias Wang , Feeding alters blood flow patterns in the American alligator (*Alligator mississippiensis*). The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Cba(2017), doi:[10.1016/j.cbpa.2017.09.001](https://doi.org/10.1016/j.cbpa.2017.09.001)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Feeding alters blood flow patterns in the American alligator (*Alligator mississippiensis*)
