Title: Protein kinases that phosphorylate splicing factors: roles in cancer development, progression and possible therapeutic options

Authors: Alicja Czuby, Agnieszka Piekiełko-Witkowska

PII: S1357-2725(17)30122-X
DOI: <http://dx.doi.org/doi:10.1016/j.biocel.2017.05.024>
Reference: BC 5140

To appear in: *The International Journal of Biochemistry & Cell Biology*

Received date: 15-2-2017
Revised date: 16-5-2017
Accepted date: 18-5-2017

Please cite this article as: Czuby, Alicja., & Piekiełko-Witkowska, Agnieszka., Protein kinases that phosphorylate splicing factors: roles in cancer development, progression and possible therapeutic options. *International Journal of Biochemistry and Cell Biology* <http://dx.doi.org/10.1016/j.biocel.2017.05.024>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Protein kinases that phosphorylate splicing factors: roles in cancer development, progression and possible therapeutic options

Running title: Splicing kinases and cancer
