Title: Mechanisms of embryonic stomach development

Author: Kyle W. McCracken James M. Wells

PII: S1084-9521(17)30120-9

DOI: <http://dx.doi.org/doi:10.1016/j.semcdb.2017.02.004>

Reference: YSCDB 2195

To appear in: *Seminars in Cell & Developmental Biology*

Received date: 24-1-2017

Accepted date: 20-2-2017

Please cite this article as: McCracken KW, Wells JM, Mechanisms of embryonic stomach development, *Seminars in Cell and Developmental Biology* (2017), <http://dx.doi.org/10.1016/j.semcdb.2017.02.004>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Mechanisms of embryonic stomach development.

Kyle W. McCracken^{1,3} and James M. Wells*^{1,2}
