Title: Abdominal ultrasonography as an adjunct to clinical examination in sheep

Author: P. Scott

PII: S0921-4488(16)30364-9

DOI: <http://dx.doi.org/doi:10.1016/j.smallrumres.2016.12.013>

Reference: RUMIN 5371

To appear in: *Small Ruminant Research*

Please cite this article as: Scott, P., Abdominal ultrasonography as an adjunct to clinical examination in sheep. *Small Ruminant Research* <http://dx.doi.org/10.1016/j.smallrumres.2016.12.013>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Abdominal ultrasonography as an adjunct to clinical examination in sheep

P. Scott*
