Title: Interaction between endogenous carbon monoxide and hydrogen sulfide in the mechanism of gastroprotection against acute aspirin-induced gastric damage

Author: Marcin Magierowski Katarzyna Magierowska
Magdalena Hubalewska-Mazgaj Juliusz Adamski Dominik
Bakalarz Zbigniew Sliwowski Robert Pajdo Slawomir
Kwiecien Tomasz Brzozowski

PII: S1043-6618(16)30528-X
DOI: <http://dx.doi.org/doi:10.1016/j.phrs.2016.11.001>
Reference: YPHRS 3383

To appear in: *Pharmacological Research*

Received date: 31-5-2016
Revised date: 12-9-2016
Accepted date: 2-11-2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Interaction between endogenous carbon monoxide and hydrogen sulfide in the mechanism of gastroprotection against acute aspirin-induced gastric damage
