Title: Exposure to non-persistent pesticides and thyroid function: A systematic review of epidemiological evidence

Author: Élica Campos Carmen Freire

PII: S1438-4639(16)30048-7

DOI: <http://dx.doi.org/doi:10.1016/j.ijheh.2016.05.006>

Reference: IJHEH 12932

To appear in:

Received date: 28-12-2015

Revised date: 4-5-2016

Accepted date: 18-5-2016

Please cite this article as: Campos, Élica, Freire, Carmen, Exposure to non-persistent pesticides and thyroid function: A systematic review of epidemiological evidence. *International Journal of Hygiene and Environmental Health* <http://dx.doi.org/10.1016/j.ijheh.2016.05.006>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Exposure to non-persistent pesticides and thyroid function: A systematic review of epidemiological evidence
