This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Title**

The use of charcoal in modified cigarette filters for mainstream smoke carbonyl reduction

**Authors**

Julie A. Morabito, Ph.D., U.S. Food and Drug Administration

Matthew R. Holman, Ph.D., U.S. Food and Drug Administration (corresponding author)

Yan S. Ding, Ph.D., Centers for Disease Control and Prevention

Xizheng Yan, B.S., Centers for Disease Control and Prevention

Michele Chan, B.S., Centers for Disease Control and Prevention

Dana Chafin, M.S., Centers for Disease Control and Prevention

Jose Perez, B.S., Centers for Disease Control and Prevention

Magaly I. Mendez, MPH, Centers for Disease Control and Prevention

Roberto Bravo Cardenas, Ph.D., Centers for Disease Control and Prevention

Clifford Watson, Ph.D., Centers for Disease Control and Prevention
