This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title:

**Protein-energy wasting and nutritional supplementation
in patients with end-stage renal disease on hemodialysis**

Short title:

Nutritional supplementation in patients on hemodialysis

Authors:

Sabatino A¹, Regolisti G¹, Karupaiah T², Sahathevan S²,
Sadu Singh BK², Khor BH², Salhab N³, Karavetian M⁴, Cupisti A⁵, Fiaccadori E¹

Institutions:

1. Acute and Chronic Renal Failure Unit, Department of Clinical and Experimental Medicine, University of Parma - Parma (Italy)
2. Dietetics Program, Faculty of Health Sciences, National University of Malaysia, Kuala Lumpur (Malaysia)
3. Department of Nutrition and Translational Research in Metabolism, Maastricht University, Netherlands
4. Department of Natural Sciences in Public Health, Zayed University, Dubai (United Arab Emirates)
5. Department of Clinical and Experimental Medicine, University of Pisa, Pisa, Italy
