This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title: Evaluation of the Yale New Haven Readmission Risk Score for Pneumonia in a General Hospital Population

Running Title: Evaluation of YNHRRS in Hospital Population

Article Type: Clinical Research Study

Key words: Pneumonia, Hospital Readmissions, Risk prediction tools

Gabrielle Schaefer MD, University of California San Diego

Robert El-Kareh MD, MS, MPH, University of California, San Diego

Jennifer Quartarolo MD, SFHM, University of California, San Diego

Gregory Seymann MD, SFHM, University of California, San Diego

Corresponding Author (Seymann):
