## **Accepted Manuscript**

The dorsolateral prefrontal cortex in acute and chronic pain

David A. Seminowicz, Massieh Moayedi

PII: S1526-5900(17)30531-X

DOI: 10.1016/j.jpain.2017.03.008

Reference: YJPAI 3403

To appear in: Journal of Pain

Received Date: 18 January 2017
Revised Date: 15 March 2017
Accepted Date: 20 March 2017

Please cite this article as: Seminowicz DA, Moayedi M, The dorsolateral prefrontal cortex in acute and chronic pain, *Journal of Pain* (2017), doi: 10.1016/j.jpain.2017.03.008.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

#### ACCEPTED MANUSCRIPT

#### The dorsolateral prefrontal cortex in acute and chronic pain
