## Accepted Manuscript

The Pathophysiology of Aortic Cross-Clamping

Martin Zammert, MD, Simon Gelman, MD PhD.

PII: S1521-6896(16)30040-4

DOI: 10.1016/j.bpa.2016.07.006

Reference: YBEAN 909

To appear in: Best Practice & Research Clinical Anaesthesiology

Received Date: 18 July 2016

Accepted Date: 27 July 2016

Please cite this article as: Zammert M, Gelman S, The Pathophysiology of Aortic Cross-Clamping, *Best Practice & Research Clinical Anaesthesiology* (2016), doi: 10.1016/j.bpa.2016.07.006.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
