This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Association of preoperative right and left ventricular diastolic dysfunction with postoperative atrial fibrillation in patients undergoing lung surgery: A prospective observational study.

1. Norikatsu Mita, M.D.

Affiliation: Department of Anesthesiology, Saitama Cardiovascular and Respiratory Center 1696 Itai, Kumagaya City 360-0105, Japan

Email: mita.norikatsu@gmail.com

Role: This author helped conduct the study, analyze the data, and write the manuscript

Conflicts: Norikatsu Mita This study was supported by a Research Fund from Saitama Cardiovascular and Respiratory Center under Grant (No.15EE).

Attestation: Norikatsu Mita has seen the original study data, reviewed the analysis of the data, approved the final manuscript, and is the author responsible for archiving the study files

2. Masataka Kuroda, M.D., Ph.D.

Affiliation: Department of Anesthesiology, Gunma University Graduate School of Medicine 3-39-22 Showa-machi, Maebashi City 371-8511, Japan

Email: m.kurohyou@gmail.com

Role: This author helped analyze the data and write the manuscript

Conflicts: Masataka Kuroda reported no conflicts of interest

Attestation: Masataka Kuroda has seen the original study data, reviewed the analysis of the data, and approved the final manuscript

3. Sohtaro Miyoshi, M.D., Ph.D.

Affiliation: Department of Anesthesiology, Saitama Cardiovascular and Respiratory Center 1696 Itai, Kumagaya City 360-0105, Japan

Email: miyoshi.sotaro@pref.saitama.lg.jp

Role: This author helped analyze the data

Conflicts: Sohtaro Miyoshi reported no conflicts of interest

Attestation: Sohtaro Miyoshi has seen the original study data, reviewed the analysis of the data, and approved the final manuscript
