This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Special Article for JCVA**Anesthetic Evolution in Transcatheter Aortic Valve Replacement: Expert Perspectives
from High-Volume Academic Centers in Europe and the United States**

(Dr Patel and Dr Ackermann are co-first authors in this article; they played an equal role in the leading the development of this manuscript)

Prakash A. Patel MD

Assistant Professor

Cardiovascular and Thoracic Section

Department of Anesthesiology and Critical Care

Perelman School of Medicine, University of Pennsylvania,

Philadelphia, Pennsylvania, USA

Abraham M. Ackermann MD

Fellow in Adult Cardiothoracic Anesthesiology

Department of Anesthesiology and Critical Care Medicine

Leipzig Heart Center, Leipzig, Germany

John G. T. Augoustides MD, FASE, FAHA

Professor

Cardiovascular and Thoracic Section

Department of Anesthesiology and Critical Care

Perelman School of Medicine, University of Pennsylvania,

Philadelphia, Pennsylvania, USA
