

## Author's Accepted Manuscript

Growth and Tolerance of Infants Fed Formula with a New Algal Source of Docosahexaenoic Acid: Double-blind, Randomized, Controlled Trial

Michael Yeiser, Edward N Zissman, Cheryl L Harris, Ashlee Kirchoff, Ashley C Patterson, Jennifer L Wampler, Carol Lynn Berseth

PII: S0952-3278(16)30051-5  
DOI: <http://dx.doi.org/10.1016/j.plefa.2016.09.001>  
Reference: YPLEF1774

To appear in: *Prostaglandins Leukotrienes and Essential Fatty Acids*

Received date: 30 April 2016  
Revised date: 25 September 2016  
Accepted date: 28 September 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
