GH and ageing: pitfalls and new insights

Andrzej Bartke, Justin Darcy

PII: S1521-690X(17)30005-2

DOI: [10.1016/j.beem.2017.02.005](https://doi.org/10.1016/j.beem.2017.02.005)

Reference: YBEEM 1134

To appear in: *Best Practice & Research Clinical Endocrinology & Metabolism*

Please cite this article as: Bartke A, Darcy J, GH and ageing: pitfalls and new insights, *Best Practice & Research Clinical Endocrinology & Metabolism* (2017), doi: 10.1016/j.beem.2017.02.005.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

GH and ageing: pitfalls and new insights
