Evolution of the sex-determining gene in the teleostean genus *Oryzias*

Masaru Matsuda, Mitsuru Sakaizumi

PII: S0016-6480(15)30002-2
DOI: <http://dx.doi.org/10.1016/j.ygcen.2015.10.004>
Reference: YGCEN 12217

To appear in: *General and Comparative Endocrinology*

Received Date: 13 April 2015
Revised Date: 5 August 2015
Accepted Date: 3 October 2015

Please cite this article as: Matsuda, M., Sakaizumi, M., Evolution of the sex-determining gene in the teleostean genus *Oryzias*, *General and Comparative Endocrinology* (2015), doi: <http://dx.doi.org/10.1016/j.ygcen.2015.10.004>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Evolution of the sex-determining gene in the teleostean genus *Oryzias*
