Krüppel-like factor 4 (KLF4): What we currently know

Amr M. Ghaleb, Vincent W. Yang

PII: S0378-1119(17)30114-2
DOI: doi: [10.1016/j.gene.2017.02.025](https://doi.org/10.1016/j.gene.2017.02.025)
Reference: GENE 41796

To appear in: *Gene*

Received date: 11 October 2016
Revised date: 17 February 2017
Accepted date: 21 February 2017

Please cite this article as: Amr M. Ghaleb, Vincent W. Yang , Krüppel-like factor 4 (KLF4): What we currently know. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Gene(2017), doi: [10.1016/j.gene.2017.02.025](https://doi.org/10.1016/j.gene.2017.02.025)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Krüppel-like factor 4 (KLF4): What we currently know.
