To appear in:

Received date: 23 September 2016
Revised date: 18 November 2016
Accepted date: 24 November 2016

Please cite this article as: Held, Jana, Gmeiner, Markus, Mordmüller, Benjamin, Matsiégui, Pierre-Blaise, Schaer, Juliane, Eckerle, Isabella, Weber, Natalie, Matuschewski, Kai, Bletz, Stefan, Schaumburg, Frieder, Bats are rare reservoirs of *Staphylococcus aureus* complex in Gabon, (2016), doi:[10.1016/j.meegid.2016.11.022](https://doi.org/10.1016/j.meegid.2016.11.022)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Short Communication

Title

Bats are rare reservoirs of *Staphylococcus aureus* complex in Gabon
