Baculovirus-based genome editing in primary cells

Maysam Mansouri, Zahra Ehsaei, Verdon Taylor, Philipp Berger

PII: S0147-619X(16)30098-1

DOI: doi: [10.1016/j.plasmid.2017.01.003](https://doi.org/10.1016/j.plasmid.2017.01.003)

Reference: YPLAS 2320

To appear in: *Plasmid*

Received date: 18 November 2016

Revised date: 19 January 2017

Accepted date: 19 January 2017

Please cite this article as: Maysam Mansouri, Zahra Ehsaei, Verdon Taylor, Philipp Berger, Baculovirus-based genome editing in primary cells. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. *Yplas*(2017), doi: [10.1016/j.plasmid.2017.01.003](https://doi.org/10.1016/j.plasmid.2017.01.003)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
