

Accepted Manuscript

A physiologically-oriented transcriptomic analysis of the midgut of *Tenebrio molitor*

Nathalia R. Moreira, Christiane Cardoso, Renata O. Dias, Clelia Ferreira, Walter R. Terra

PII: S0022-1910(16)30406-1

DOI: <http://dx.doi.org/10.1016/j.jinsphys.2017.03.009>

Reference: IP 3628

To appear in: *Journal of Insect Physiology*

Received Date: 19 November 2016

Revised Date: 13 March 2017

Accepted Date: 20 March 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
