From single item focus to holistic, true life: Reflecting physical activity studies

Harri Helajärvi

PII: S0021-9150(17)31214-5

DOI: [10.1016/j.atherosclerosis.2017.07.027](https://doi.org/10.1016/j.atherosclerosis.2017.07.027)

Reference: ATH 15152

To appear in: *Atherosclerosis*

Received Date: 16 July 2017

Revised Date: 0021-9150 0021-9150

Accepted Date: 25 July 2017

Please cite this article as: Helajärvi H, From single item focus to holistic, true life: Reflecting physical activity studies, *Atherosclerosis* (2017), doi: 10.1016/j.atherosclerosis.2017.07.027.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**From single item focus to holistic, true life: Reflecting physical activity studies**
