Project presented at two local conferences at the University of Colorado:

Palliative Care Research Day 2014 at University of Colorado

Department of Medicine Research Day 2014 at University of Colorado

Word Count: 1823

* Financial support for this study was provided primarily by a grant from the University of Colorado Department of Medicine Outstanding Early Career Scholars Program, and the Leadership, Education, Advocacy, Development, and Scholarship (LEADS) Track. Dr. Allen was funded by National Heart, Lung, and Blood Institute Grant 1K23HL105896. Dr. Matlock was supported by the National Institutes on Aging 1K23AG040696. Supported by NIH/NCATS Colorado CTSI Grant Number UL1 TR001082. Contents are the authors' sole responsibility and do not necessarily represent official NIH views. The funding agreement ensured the authors' independence in designing the study, interpreting the data, writing, and publishing the report.
