This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Health Literacy in Heart Transplantation: Prevalence, Correlates, and Associations with Health Behaviors – Findings from the International BRIGHT Study

Maan Isabella Cajita, BSN, RN-BC<sup>1</sup>, Kris Denhaerynck, PhD, RN<sup>2</sup>, Fabienne Dobbels, PhD, MSc<sup>3</sup>, Lut Berben, PhD, RN<sup>2</sup>, Cynthia L. Russell, PhD, RN<sup>4</sup>, Patricia M. Davidson, PhD, RN<sup>1</sup>, Sabina De Geest, PhD, RN<sup>2,3</sup> and *on behalf of the BRIGHT Study Team<sup>†</sup>*

<sup>1</sup> School of Nursing, Johns Hopkins University, Baltimore, MD, USA

<sup>2</sup> Institute of Nursing Science, Department of Public Health, University of Basel, Switzerland

<sup>3</sup> Academic Center for Nursing and Midwifery, Department of Public Health and Primary Care, KU Leuven, Belgium

<sup>4</sup> School of Nursing and Health Studies, University of Missouri-Kansas City, MO, USA

Grant support information

M.I. Cajita is supported by the NINR Ruth L. Kirschstein National Research Service Award (1 F31 NR015943-01)

The BRIGHT study is funded by research grants of the International Transplant Nurses Society (ITNS) in 2008, the International Society for Heart and Lung Transplantation (ISHLT) in 2012, the Swiss Academy of Medical Sciences (SAMW) in 2013 as well as an unrestricted research grant from Astellas Pharma. None of the grants has a grant number. None of the organizations that provided funding has access to the data nor were involved in the preparation of the manuscript.

Key words: health literacy, heart transplantation, physical activity, health behaviors
