Conflict of Interest Statement:

The Icahn School of Medicine at Mount Sinai receives royalties payments from Edwards Lifesciences and Medtronic for intellectual property related to Dr. Adams' involvement in the development of two mitral valve repair rings and one tricuspid valve repair ring. Dr. Adams is the National Co-Principal Investigator of the CoreValve United States Pivotal Trial, which is supported by Medtronic. Dr. Chikwe received speaker honoraria from Edwards Lifesciences. None of the sponsoring organizations had any role in the design and conduct of the study; collection, management, analysis, and interpretation of the data; preparation, review, or approval of the manuscript; or decision to submit the manuscript for publication.
