Please cite this article as: Shah AS, Mobile ECMO: Lead, Follow or Get out of the way, *The Journal of Thoracic and Cardiovascular Surgery* (2017), doi: 10.1016/j.jtcvs.2016.10.107.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Mobile ECMO: Lead, Follow or Get out of the way

Ashish S. Shah MD
Professor of Surgery
Department of Cardiac Surgery
Vanderbilt University Medical Center
5025 Medical Center East
