Statement on Funding: This work was not supported by any grants or funds.

Disclosures:

Dr. Adams has received institutional royalties for patents and institutional grants from Edwards Lifesciences; institutional royalties for patents and institutional grants from Medtronic; and institutional grants from NeoChord.

Dr. Ailawadi reports personal fees from Abbott Vascular, Edwards Lifesciences, St. Jude Medical, Mitralign, and Atricure.

Dr. Mack reports a potential conflict of interest exists as the Co-PI of COAPT Trial; Abbott Vascular is trial sponsor- uncompensated.

Remaining authors of this manuscript have no conflicts of interest to disclose.
