This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title of the paper:

**Ultrastructure of pericycstic or intracycstic blood vessels in epidermoid cysts.
--A transmission electron microscopy study: Laboratory investigation**

Running Title:

Blood vessels' ultrastructure in epidermoid cysts.

Authors:

Xiao-hui Ren, M.D.,^{1,3,4*} Jun Ma, M.D.,^{1,3,4*} Chun Zeng, M.D.,^{1,3,4} Yi-lin Sun, M.D.,² Song Lin, M.D.,^{1,3,4}
