This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Title Page**

**Title:** Cystic Dilation of the Ventriculus Terminalis (CDVT): Report of Six Surgical Cases  
Treated with Cyst-subarachnoid Shunting Using T-catheter

**Authors:** Liang Zhang MD<sup>1</sup>, Zhifeng Zhang MD<sup>1</sup>, Wuyang Yang MD, MS<sup>2</sup>, Wenqing Jia  
MD, PhD<sup>1</sup>, Yulun Xu MD, PhD<sup>1</sup>, and Jun Yang MD<sup>1</sup>

**Affiliations:**

1. Beijing Neurosurgical Institute, Beijing Tiantan Hospital, Capital Medical University, No.  
6, Tiantan Xili, Beijing, People's Republic of China

2. Department of Neurosurgery, Johns Hopkins University School of Medicine, Baltimore,  
MD, USA

Liang Zhang and Zhifeng Zhang contributed equally to this work.

**Corresponding Author:** Wenqing Jia MD, PhD

**Email:** [coffeemd@163.com](mailto:coffeemd@163.com)

Beijing Tiantan Hospital, 6 Tiantan Xili, Dongcheng District, Beijing 100050, People's  
Republic of China

**Running Head:** Cystic Dilation of the Ventriculus Terminalis

**Disclosure of funding:** No funding, financial interests or potential conflict of interest is  
involved in this study.

**Acknowledgements:** none.
