

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Endodontic Practice

Arizona, Tucson—Well-established, state-of-the-art, microscope-equipped endodontic practice requires a motivated, personable, conscientious, quality-oriented clinician seeking a long-term relationship. There is no need to have to interview with a hired-gun corporate recruiter representing a general dentistry conglomerate who wouldn't know the difference between gutta-percha and a gutter ball! We offer full benefits, a very competitive base salary with production incentives and many other benefits. Relocation subsidies are available. Send CV & letter of interest ASAP to AZEndoposition@aol.com.

California, Pinole—Endodontic practice looking for a highly-motivated person. Four operatories, three Global scopes, sonics, rotaries, Schick CDR. Michigan, Southeast—We are currently looking for full or part-time endodontists to join our practice. Endodontic Associates is a well-established, quality-oriented group practice limited to endodontics, located in upscale communities in southeast Michigan. Our objective is to provide endodontic services promptly, efficiently, and consistent with the highest standards of the profession. We are searching for personable, self-motivated, and productive endodontists who share those same goals. With recent turnover of some senior partners a need has arisen to fill vacated positions immediately. This will provide any new associate with an immediate productive patient schedule and fully experienced staff. We utilize operating microscopes, digital radiography, and limited view cone beam CT imaging to treat the most complicated cases providing a positive patient experience with predictable, effective results. We have a very wide referral base that supplies an exceptional income potential. If interested, please send resume and cover letter to CareerCenter@aae.org.
