

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Endodontic Practice

California, Los Angeles—Successful southern California endodontic practice seeking full-time associate to work towards expansion into partnership. We are seeking a motivated, quality-oriented associate for a long-term relationship. Partnership will provide a state-of-the-art facility outfitted with latest digital imaging, microscopes, and CBCT. Operations of practice for front/back office/marketing are established and managed with no hassle to you. Your sole responsibility will be to provide the best endodontic care to our steady patient base that will be scheduled for you. 1st year out of school potential income of \$450k and 2nd year \$550k. This expansion/partnership offer has limited time before being filled. Amazing opportunity for all applicants. New graduates of 2017 encouraged! Please email CV's to erintu@rootvisionendo.com, and cc: aznhappy17@hotmail.com or call 310-892-2732.

Florida, Vero Beach—Partner with experienced endodontist in this beautiful beach community just north of the Miami/Ft. Lauderdale/West Palm Beach megalopolis. Early 50% equity buy-in available and encouraged. Owner financing. 2017 graduates encouraged to apply. If interested, please reply with letter of interest and CV to CareerCenter@aae.org.

Idaho, Meridian—Growing private endodontics practice in beautiful Meridian, ID, is seeking a quality oriented, part-time/full-time endodontist with excellent clinical and interpersonal skills and a passion for patient comfort and care. The position is available immediately and provides a great opportunity in a newly built, state-of-the-art office equipped with digital imaging, CBCT and Zeiss scopes. Please send your resume via email to bluecreekendo@gmail.com.

Michigan, Southeast—We are currently looking for full or part-time endodontists to join our practice. Endodontic Associates is a well-established, quality-oriented group practice limited to endodontics, located in upscale communities in southeast Michigan. Our objective is to provide endodontic services promptly, efficiently, and consistent with the highest standards of the profession. We are searching for personable, self-motivated, and productive endodontists who share those same goals. With recent turnover of some senior partners a need has arisen to fill vacated positions immediately. This will provide any new associate with an immediate productive patient schedule and fully experienced staff. We utilize operating microscopes, digital radiography, and limited view cone beam CT imaging to treat the most complicated cases providing a positive patient experience with predictable, effective results. We have a very wide referral base that supplies an exceptional income potential. If

interested, please send resume and cover letter to CareerCenter@aae.org.

Multi-city Locations—Cornerstone Dental Specialties continues to grow throughout the U.S. and has opportunities for qualified endodontists in Inland Empire and Palm Desert, California; Kansas City, Missouri; Dallas, Texas; Tennessee; Oregon; Tucson, Arizona; Seattle, Washington; and Atlanta, Georgia. If you are looking for your next best step in your career as an endodontist, where "the sky's the limit" to your earnings, and you do not need to go further in debt to get started, please send your resume to drinfo@cdsdental.com and we will be in touch with you within 24 hours to discuss what you would like for your future and how we together can create a win-win. Let's go ahead and get started – take the first step!

New Jersey—Full-time endodontist position in a thriving endodontic practice with offices in Sparta and Randolph, New Jersey. Searching for a professional individual with advanced evidence-based skills as the practice relies on quality endodontic care. This individual must be trained to render care using a microscope for both adults and children. Both offices have new Zeiss microscopes, use TDO practice management software, digital radiography, CBCT imaging and have the latest devices and instruments. Requirements: NJ Dental License. Endodontic Certificate, NJ Specialist Certificate. Please reply to frontoffice@appelbaumendo.com.

New York, Rochester Region—Excellent opportunity in a well-established multi-location practice to work part or full-time. Offices equipped with cone beam, microscopes and updated digital technologies. This is a great opportunity with lucrative income potential, a steady flow of referrals and an experienced team. Please reply by forwarding your CV to proendo@rochester.rr.com or fax to 585-248-3653.

New York, Syracuse—There is an excellent opportunity for an endodontist to join our growing, successful practice in Syracuse, New York. The group consists of six full-time practitioners who enjoy working together as a team. The offices are fully modernized, including a cone beam, microscopes, and many other new technologies. Our practice prides itself in quality surgical and conventional endodontics. There is also an opportunity to learn implantology within the practice. If you are a first or second year student, now is the time to start exploring career options. We are offering a very lucrative financial package including a signing bonus. Benefits include health insurance, health club membership, expense account, pension plan and more. The area offers a great quality of life at a very affordable cost. That, along with some of the finest public and private schools in the state, makes it a wonderful place to raise a family. There is a wealth of culture here supported by fine museums,

symphony, and stage productions. Central New York is ideal for outdoor recreation, including some of the finest lakes in the country. There are three ski resorts within 30 minutes of downtown. The Adirondacks, Thousand Islands, and Canada are approximately one hour away. The major metropolitan areas - NYC, Boston, and Philadelphia can be reached in about four hours by car. Syracuse University and Lemoine College bring much to the community including nationally recognized sports programs. All of the above, combined with fine restaurants and a fun night-life, make Syracuse a great place to live and practice. If you are interested in applying for this position, please call Dr. Jeffrey S. Maloff at 315-413-1100 or send your resume to drjism4life@gmail.com; www.rootcanaldoctor.org.

North Carolina—Well-established, updated multi-location endodontic practice in Western North Carolina looking for a part or full-time associate. Buy-in opportunity available. Requirements: M.S. or CAGS in Endodontics. ABE Certification preferred. Clinical practice experience preferred. North Carolina Dental License. Please respond to endopositions@yahoo.com.

North Carolina, Charlotte—I am seeking an associate endodontist to join my practice in a beautiful area north of Charlotte. We have created an incredible working environment with the latest technology and incredible, well-trained staff. Ideally, I would like my associate to bring great enthusiasm and compassion to the office. A great attitude and approach to patient care is a must, with an emphasis on patient education and communication followed by pain-free, technical and skilled endodontics. Our referral base will expect their patients to return speaking glowingly about our office following their visit with us. We have branded our practice using the clinical operating microscope and truly believe using it is the best way to treat cases. If you have a great attitude towards patients and staff and enjoy providing endodontic care through the microscope, please forward a resume with references. Requirements: Endodontic Certificate from accredited endodontic program. Microscopic endodontic skills. Great attitude and personality. Please reply at drbaglund@yahoo.com.

Ohio, Zanesville—Seeking a full or part-time associate in a well-established endodontic practice. If you are an endodontic resident and looking for a practice in the next several years, please talk to me. However, the position can be available immediately if you are looking to relocate. I am anticipating a quick partnership and possible buy-out. We are in a small town, one hour from Columbus. It is a great and safe location to raise a family but close to the culture of a city. Our building is a 2500 sq. ft. modern facility with three equipped operatories all with microscopes and a 4th room that is ready

Associate to Partner

to be equipped. The practice has a strong emphasis on patient comfort and care with an experienced staff. I would love to hear from you. Please send all inquiries to ellennist@gmail.com.

South Florida (East Coast)—Endodontist available, experienced, FT/PT, IV sedation certified. Please call Dr. Rauch: 239-289-9336.

Tennessee, Nashville—Welcome to Nashville! Build your endodontic career in one of the country's most vibrant, culturally rich and rapid growing cities. Music City is growing at more than twice the national average. During the past five years alone, over 150,000 people have decided to make Nashville their new home. Currently, the population of the Greater Nashville area stands at about 1.6 million and is expected to exceed 3 million by 2035. The demand for all health-related services for this expanding population is clear. Apex Endodontics of TN was founded in 2008. Our dental team utilizes state-of-the-art equipment, technology and advanced training to deliver the highest quality of endodontic services to our referrals and their patients. Our commitment to quality, our community and additional training that includes IV and oral sedation allowed Apex to grow from a single practice to a five-location group practice. Tremendous growth in our patient referral base has compelled our practice to expand. We are currently seeking the right endodontic candidate to join in the building of our practice. We are offering a competitive market-based compensation package highlighted by the following: Sign on bonus. Compensation-% of adjusted collections against production. Guaranteed annual base. Quarterly production incentive bonus plan. Quick and transparent path to ownership with low earn-in threshold. Mentorship program and continuing education. Aside from the competitive compensation package, all our offices are professionally supported with innovative business systems, HR structuring, marketing services and an ambitious staff eager to welcome and work with you! If this opportunity interests, you please email: drbeeren@apexendotn.com and ashley@apexendotn.com. We look forward to hearing from you.

Texas, Houston—Motivated endodontist: Great opportunity for you to provide care in a rapidly expanding endodontic practice throughout the Greater Houston Area. Excellent compensation and earnings potential based on monthly production. Full and part-time opportunities available. Wonderful staff, locations and technology. For information please send us an email to info@endotexas.com.

Wisconsin, Madison—Madison Endodontic Associates, S.C. is a well-established (since 1973), well-respected, quality-oriented, multi-site endodontic group practice. We are offering a unique opportunity for a full-time associate with potential for partnership, who has excellent clinical skills and interpersonal communication. Large referral base. Microscopes, digital radiography, 3-D CBCT. Capitol and university city consistently ranked among the top places to live in the U.S., Madison is a terrific place for year-round recreational activities. Please send your resume/cover letter to endodonticsmadison@outlook.com.

California, Central—Well-established, busy endodontic private practice located in central California is looking for a long-term, full-time associate. Amazing team, patient comfort-centered care and flowing schedule. We have two locations (four operatories at each office) equipped with state-of-the-art equipment. I look forward to talking with you and possibly having fun working together. Please send resume and cover letter to CareerCenter@aee.org with some information about your background and goals. Must have a positive mindset.

California/Los Angeles/S.F. Valley—Established modern endodontic practice is seeking part-time experienced, motivated, enthusiastic associate with buy-in partnership option. Requirement: Certificate in Endodontics. Please email your CV to: endodontic95@yahoo.com

Connecticut, Central—Great opportunity for an endodontic associate position leading to partnership within a long-established practice in Central Connecticut. We are a three-partner practice and our senior partner is planning on retiring. Our beautiful new office has six microscope-equipped operatories, digital X-rays, CBCT and PBS Endo. Please email your CV and cover letter to: jabfitendo@gmail.com.

Connecticut, Southeastern—Practice originated in 1991. Our busy, respectable endodontic practice is seeking a full-time associate. Our beautiful, newly and completely renovated facility is equipped with four operatories, state-of-the-art cone beam X-ray machine, custom delivery carts, digital radiographs and surgical microscopes with camera and video capability and much more. Full-time position could lead to a partnership. Please email your CV to rootcanalspec@cs.com.

Georgia, Coastal—Full or part-time endodontic position available in multi-location practice. Our warm coastal Georgia practices have modern, beautiful facilities near rivers, beaches, golfing, boating, horses, and great schools. Come join our practice and be part of an amazing team with highly trained, friendly staff; surgical microscopes, and access to a 3-D CBCT at the Richmond Hill office. Partnership buy-in potential after 18 months to the right candidate. Requirement: Georgia-licensed endodontist in good standing with all state boards. Contact Dr. Christopher Lea at 912-308-9841 or leaendo@yahoo.com. Please check out our practice at www.coastalendo.net.

Kansas—Full-time associate with possible future partnership opportunity. Busy, well-established, state-of-the-art specialty private practice. Paperless office with TDO software, digital radiography, CBCT, microscopes, ASI carts and implant opportunities. Staff is friendly, motivated and well-trained. Highly competitive income with guaranteed salary and additional bonus incentives. We provide high quality endodontic treatment in a caring, compassionate environment. If interested, please reply to EndodonticOpp@gmail.com.

Nebraska, Omaha—Busy endodontic practice in Omaha, NE, with immediate position for full-time endodontist leading to 50% partner. Would consider part-time also if willing to work at least 2-3 days per week. Modern, paperless office with digital radiographs and microscopes in every

operatory. Single office location, so no need to travel to multiple satellites. Excellent income, 90% initial RCT with only 10% retreat/apico, great staff and smooth running practice. Send resume to info@omahaendo.com.

Pennsylvania, Central—Located in central Pennsylvania, this busy, well-established state-of-the-art practice is seeking a quality-oriented, personable endodontist. Multi-locations with microscopes and digital radiography. Full-time leading to partnership. Contact Kelly Murray at 717-545-7400, ext. 124 or email kelly@endodonticsassociates.net.

Wisconsin, Southeastern—Multi-location endodontic group practice in southeastern Wisconsin seeks a quality-oriented and motivated endodontist for a full-time associate position. This position is anticipated to lead to a partnership in the practice. Benefits include healthcare insurance and a 401(k) program. Requirements: The applicant must have a D.D.S./D.M.D. and a Certificate of Specialty in Endodontics. Eligibility for licensure in Wisconsin is required. Please reply to tengel@rctdocs.com.

Multispecialty Group Practice

Arizona, Gilbert and Phoenix—A multi-specialty practice looking for a part-time/full-time endodontist to join our team. Modern facilities, state-of-the-art equipment including Global microscopes. Busy office, great staff. Last year the endodontist collected 700K. Email resume to briandds1@me.com.

Arizona, Northern—Pacific Dental Services® (PDS) affiliated offices have an excellent opportunity for an endodontist to work in Cottonwood, Arizona, located in northern Arizona. Cottonwood and northern Arizona offer an abundance of outdoor activities including hiking, camping, skiing, and horseback riding and is home to the largest ponderosa pine forest on earth and serves as an entry point to the majestic Grand Canyon. Endodontists working in PDS® affiliated offices focus on patient care and clinical excellence while leaving nonclinical aspects to the office staff. Endodontists are supported with multiple assistants who are fully trained to support you. Superior income potential including a daily guarantee along with a work/life balance that puts an emphasis on life. Relocation reimbursement is negotiable. Requirements: dental degree from an accredited university and an active state dental board license. D.D.S./D.M.D. Contact Ed Loonam at 949-842-7936 or send your CV to looname@pacden.com.

Arizona, Tucson and Phoenix—Great supplement to existing schedule in Tucson & Phoenix! Associated Dental Care Providers is an established multispecialty group with 10 locations in Phoenix and Tucson, AZ. Our quality group practice is seeking endodontists to join our endodontic program. Due to strong patient demand, this lucrative opportunity is uniquely positioned to receive referrals from our doctors, as well as other doctors who practice in the community. Enjoy the traditional doctor-patient relationship from initial examination, treatment planning and treating the patient to completion, in a team environment with professional and clinical support to best service your patients. Our continual focus on quality care, community involvement and professional development makes for a rewarding career for specialists who join our team. We'd love
