

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Endodontic Practice

Arizona—Well-established, state-of-the-art private endodontic practice seeks a Board-certified/eligible endodontist. We have a well-trained team with two endodontists ready to help you excel and to mentor you to ensure your success. Located in a fast-growing community recognized as one of the best places to live by *Money* magazine. If interested, please email your CV to info@aendo.com.

California—An established endodontic practice seeking full-time/part-time associates in multiple locations throughout Southern California. Requirements: Highly motivated with great clinical and patient communication skills. If interested, please email letter of interest and CV to CareerCenter@aae.org.

Canada, Ontario, Ottawa—Excellent opportunity for an endodontist to be a part of a well-established endodontic practice in Ottawa, Ontario, as a full-time OR part-time associate. Our office is well-designed and spacious, featuring all digital radiography, microscopes and rotary endo. Office staff is highly trained and skilled. We have an excellent and well-established regional referral base with room to grow. We are currently two endodontists in practice for 25 years in the area with room and referral base for a third motivated and caring clinician with great interpersonal skills. Recent graduates and experienced endodontists will be considered. Requirements: Postgraduate Certificate in Endodontics from accredited institution. To apply, please email lyonhamburg@gmail.com.

Connecticut, Fairfield County—Modern, well-established, fee-for-service endodontic practice seeks a motivated, personable associate for part-time employment. Office is equipped with microscopes in every operator, digital radiography and CBCT. Established, friendly staff will help any endodontist make a seamless transition into our practice. Located 75 minutes from NYC. Call 914-907-7372 or email rct0919@gmail.com.

Florida, Tampa Area—Well-established endodontic practice seeking full-time associate. Buy-in, buy-out and partnership possible. Office is equipped with CBCT, Zeiss scopes and TDO and is completely paperless. Owners happy to transition and mentor if needed. 4 days/week, low overhead. If interested, please email letter of interest and CV to CareerCenter@aae.org.

Georgia, St. Simons Island—Full-time endodontic position available in gorgeous St. Simons Island. Modern, beautiful facility near the beach, golfing, boating and great schools. This location is part of a three-office practice with a highly trained, friendly staff. Contact Dr. Christopher Lea at 912-308-9841 or leaendo@yahoo.com. Requirement: GA licensed endodontist in good standing with all state boards.

Idaho, Meridian—Growing private endodontics practice in beautiful Meridian is seeking a quality-oriented, part-time/full-time endodontist with excellent clinical and interpersonal skills and a passion for patient comfort and care. The position is available immediately and provides a great opportunity in a state-of-the-art-office equipped with digital imaging, CBCT and Zeiss scopes. Competitive compensation and benefits package. Future partnership/investment opportunities are also available. Please send your resume via email to bluecreekendo@gmail.com.

Illinois, Chicago—State-of-the-art, fully digital-equipped practice is seeking a part-time/full-time associate. Our practice has been open for three and a half years in the Bucktown area in Chicago. Our office is conveniently located near 90/94 (Armitage Exit). We are currently open six days a week (Monday-Saturday) with hours ranging from 9 a.m.-5 p.m. We are open to flexibility regarding days and schedule. We have been growing with a large patient flow, looking for a motivated individual with very good interpersonal skills. Candidates, please submit resumes to office@bucktownendo.com.

Multiple U.S. Locations—All candidates welcome, including those requiring visa sponsorship. Let's go ahead and get started—take the first step! Requirements: D.D.S./D.M.D., dental state license and a Certificate in Endodontics.

New Jersey—Amazing things happen when you love your work! We would like to offer you a unique opportunity to do the work you love without having to worry about the nonclinical aspects of running a practice. Our offices ensure great patient flow and professional management that eliminates the administrative headache for our dentists. We take pride in knowing that our experienced team of professionals offers the highest standard of care by enriching the lives of our patients and the community. In addition to offering top compensation, we make the following benefits available to all our full-time dentists: Sign-On Bonus, Relocation Assistance, Health Insurance, Dental

Services, 401k, Life Insurance, Short-Term Disability, Long-Term Disability and Vision, Malpractice Insurance, Continuing Education and Training, National, State and Local Professional Dues. This position will require travel between multiple offices in southern New Jersey. You will be reimbursed for your travel. We invite you to join our team of professionals in New Jersey. Please email your CV to christa.barnett@blackforddental.com, call 717-590-1503 or visit www.blackforddental.com.

New Jersey—This state-of-the-art endodontic practice in Northern New Jersey is seeking a highly-skilled full-time associate who is motivated and has strong communication skills. We are offering a rapid track to becoming an equity partner if that is the desired goal of the associate. Although we are seeking an endodontist with experience, recent grads should apply for this exceptional opportunity. Our office is equipped with microscopes, 3-D imaging and a wonderful staff who is accommodating and committed to your transition into our group. Requirements include a New Jersey State Dental License and a New Jersey Specialty Permit. Please email your resume to endopathtways@gmail.com.

New Jersey (Central)—Excellent opportunity for a motivated, quality-driven endodontist to join a well-established, highly regarded endodontic practice. Patients are provided the most up-to-date technologies including CBCT. Immediate full-time associateship leading to partnership. Please fax resume to 908-725-9717.

New Jersey (Northern)—We are an endodontic specialty group located in Northern New Jersey looking for a full-time associate to join our team. Each office is modern and paperless, outfitted with microscopes and CBCT. Please send your resume for consideration to modernmicroendo@gmail.com. New grads welcome to apply.

New Jersey, West Orange/Hackensack—Excellent opportunity for an endodontist to be a part of a well-established endodontic practice in Northern New Jersey (Hackensack or West Orange) as a full-time OR part-time associate. New endodontists are busy from day 1 because of the established referral base and processes already in place. We are currently seeking endodontists that appreciate the professional, financial and administrative benefits of group practice to join our teams. Our offices are well-designed, spacious, featuring all-digital radiography, microscopes and rotary endo. All of the required equipment and disposables are supplied by the office. Office management is highly trained and skilled. We have an excellent and well-established regional referral base with room to grow and possible partnership track. Requirements: Examine, diagnose and treat diseases of nerve, pulp and other dental tissues affecting vitality of teeth. Diagnose condition and plan treatment. Ability to interact with

patients in a calm and friendly manner. Team player. Courteous with staff and patients. Recent graduates and experienced endodontists are welcome to apply at info@endoalliance.com.

New York, Hewlett/Massapequa—Part-time endodontist needed immediately to join our small group practice on the South Shore of Long Island. Tuesdays, Wednesdays and Saturdays. We are a modern office with two locations, Hewlett and Massapequa. Our staff is highly trained in all aspects of assisting. This is a great opportunity for a young endodontist who wants to practice in an endo office as part of his/her work opportunities. Requirements: Must be an endodontist. Private practice experience preferred but not required. If interested, please email letter of interest and CV to CareerCenter@aae.org.

Pennsylvania—A busy, state-of-the-art endodontic office is looking to add an associate to our private practice. This is a great opportunity for the right clinician with a track towards partnership available. Full or part-time. If interested, please email letter of interest and CV to CareerCenter@aae.org.

Texas—Exceptional endodontists! Sign-on bonus! Relocation assistance provided! Multisite, modern, established endodontic practice looking to expand. Currently three full-time endodontists. Part-time or full-time. State-of-the-art practices with microscopes, CBCT, handpieces, TDO software, etc. Excellent management team allows you the freedom to just be an endodontist. Please email resume to rickyendo@yahoo.com.

Texas, Dallas—We are seeking a motivated, quality-oriented endodontist to join our team in Dallas. We will surround you with a supportive, trained staff and a consistent flow of good patients. We have a team approach to dentistry to make your day run smoothly and productively. Requirements: D.D.S./D.M.D. and Certificate in Endodontics. If you can connect and build trust with our general practitioners, have a Texas Dental License and Certificate in Endodontics, and want to earn a good living, please send your CV to drinfo@cddental.com.

Texas, Frisco—Flower Mound Endodontics is looking for energetic Board-eligible/certified endodontists who love people and endodontics for a second location. This is a unique opportunity for profit participation. We are looking for the right doctor to join us in taking our practice to the next level. Being designed and built in Frisco in the heart of the "billion-dollar strip," our second practice will mirror our first and be patient oriented, paperless and equipped with microscopes, Kodak/Carestream digital sensors and the latest in equipment. Far from corporate dentistry, we are an entrepreneurial-based operation, practicing one-on-one personal patient care and emphasizing highest quality workmanship, service and patient care. Even our compensation is creative and business minded. Rather than a smaller percentage of collections or production, we want to share upwards of 60-70% of net income for the right doctor. If your goal is to work hard now, market and manage and be rewarded for the bottom line, then this would be a great fit. Would you like to be financially free/retire in 5 to 10 years? Or are you ready to pay off your school debt, and build a practice as your own without the headaches of starting up capital or additional loans? If so, then consider joining our team by giving us a call at 214-893-8883 or by emailing us at dr.wang@fm-endo.com.

Texas, Garland—I have a position open for an endodontist in Garland, which is approximately 17 miles east of downtown Dallas. My office is suitable for an endodontist who loves practicing endodontics at a steady pace, but does not want to manage a practice. This is a beautiful and established single-owner office located at a broad demographic crossroads. Facilities and equipment: I have four fully equipped operatories, each with a Global Surgical microscope. I use PBS Endo as my practice management program. We take radiographs with a Nomad and use the Suni digital radiography system. The Details: Days per week: 3-4. Pay: You are paid monthly based on a percentage of your collections. Are you a good fit for this office? Quality of care, chairside manner and ethical patient treatment are paramount to me. While I want you to be extraordinarily successful, I will not put pressure on you to produce at a high volume. On the other hand, I will expect you to treat the patients and staff with kindness and to produce the highest-quality cases. If you are interested, please send (1) Your curriculum vitae (2) A portfolio of 30 completed cases (images only) (3) A personal statement letter. Requirements: You must be licensed to practice in Texas and have a Level 2 anesthesia permit. Please reply to loriannadees@gmail.com.

Utah—Skiing, Biking, Hiking—we have it all in the beautiful state of Utah. Successful endodontist is ready to retire and transition to the next adventure in life. Flexible transition tailored to you. Please contact jcoats57@gmail.com, or call 801-231-4244.

Virginia, Fairfax—Well-known group practice is looking for a new associate interested in working in a team environment. We have five convenient locations in Northern Virginia and a growing practice referral base. Our group practice offers state-of-the-art offices and an experienced staff. We are looking for an individual who prefers a group practice, enjoys working with others and is dedicated to providing sensitive care to patients. Potential career growth possibilities. If you are interested in such a position, please send your CV to rexrmrp@gmail.com.

Washington, Seattle—Well-established, busy endodontic private practice in South King County (Seattle) is seeking a long-term (career) full-time associate. Candidates with practice experience and/or Diplomates of the ABE preferred. Please email cover letter and CV to kingcountyendo@gmail.com.

Wisconsin, Madison—Capital Endodontics is seeking an endodontic associate ultimately interested in partnership. We are an established and rapidly growing private endodontic practice. Having three offices located in and around Madison, you will have an opportunity to see as many or as few patients as you desire. Our offices are state-of-the-art, featuring cone beam CT units, digital radiography, digital endodontic records management, Global microscopes and more! You will be eligible for substantial compensation and benefits including malpractice insurance, medical insurance, disability insurance and participation in our 401k and pension retirement packages. Please contact dferris@capitalendo.com for more information.

centered, high-tech and fun endodontic office seeking a likeminded associate. Our position is 2-3 days a week growing into a full-time associateship and for the right doctor looking to make a career for himself. Our team is experienced and highly trained to provide the best possible care to our patients and referring offices. We spared no expense in outfitting our practice and keeping up-to-date with the latest equipment and technology. We are seeking an associate for an eventual partnership opportunity. We are fee-for-service office located in a growing North County, San Diego market. We are looking for a motivated, quality-centered associate to continue growing our practice. Post-residency experience desired. If you're looking for a career opportunity and quality comes first in your work, please send your resume to CareerCenter@aae.org to be considered. Requirements: Must be a skilled endodontist and communicator who is motivated to grow our practice. Personable, outgoing and professional. Athleticism is a plus since many of our referrals golf, bike, fish, run. We work with well-known, highly-skilled cosmetic dentists so restorative knowledge is a definite plus.

Colorado, Colorado Springs—Endodontic Specialists of Colorado, PC, is a partner-owned, award-winning group practice and we are actively seeking a full-time endodontist for association leading to partnership. As the largest endodontic group practice in Southern Colorado, our three locations are state of the art featuring digital sensors, Zeiss microscopes and CBCTs. Our office has been recognized five times by the Southern Colorado Better Business Bureau for Excellence in Customer Service and has also been recognized as a 2013 and 2015 Best Companies to Work for in Colorado by *ColoradoBiz* magazine. With a senior partner retiring, you will be walking into a schedule that's as busy as you want it to be with well-established referral patterns. There are built-in mentorship opportunities and experienced business and dental assistants with an average tenure of over 10 years to help guide you through your transition. With an initial guaranteed salary, associates will quickly transition to a lucrative, collection-based percentage with financial security. Shared call and collateral responsibilities allow for a well-balanced work and home life with the ability to take vacations and regularly attend CE meetings. Colorado Springs, voted #5 in "Top 100 Best Places to Live" by *U.S. News & World Report*, is at the base of majestic Pikes Peak and offers innumerable activities including hiking, biking, skiing, camping, fishing, theater arts and symphony. With some of the best weather (300+ days of sunshine) and schools in the country, it is a great place to work, raise a family and retire. If you're interested in a rewarding endodontic career in a superbly run, award-winning, customer-service oriented practice, we'd like to talk to you soon! Requirements: Colorado Dental License; Board-eligible or Board-certified; Specialty Certificate in Endodontics. Please reply to endodontists@endospec.com.

Connecticut, Norwich—Practice originated in 1991. Our busy, respectable endodontic practice is seeking a full- or part-time associate. The beautiful, newly and completely renovated facility is equipped with four (4) operatories, cone beam X-ray machine, custom delivery carts, digital radiographs and surgical microscopes with camera and video capability.
