**ABSTRACT**

At least 564,500 Hungarian Jews perished during the Holocaust, including many physicians. Exactly how many Jewish dermatologists were killed is not known. We have identified 62 Hungarian Jewish dermatologists from this time period: 19 of these dermatologists died in concentration camps or were shot in Hungary, 3 committed suicide and 1 died shortly after the Holocaust, exhausted by the War. Fortunately, many Hungarian Jewish dermatologists survived the Holocaust. Some had fled Europe before the Nazi takeover, as was
